Dan,

Thanks very much for getting the NOI and reclamation contract submitted. That should abate the Cessation Order. I'll verify that and document it in the NOI letter I write after I review the NOI.

However, there's one little sticking point; all NOI's require a \$150 application fee. We can't find that attached to the package. Please make the check out to the Utah Division of Oil, Gas and Mining, with a reference to file number S/057/0010. You can mail the check to us at:

Utah Division of Oil, Gas and Mining
1594 West N. Temple, Suite 1210
Salt Lake City, UT, 84114-5801

That may hold up my review of the NOI, so please send a check as soon as you can. Again, once I review the NOI, I'll send you a letter noting any deficiencies and giving a time frame for addressing those.

Unfortunately, I've had too many irons in the fire lately to get back up there to tour the site again. As soon as I get a chance, I'll coordinate a meeting with you on site.

Thanks again for taking care of this.
